Cancellations are not possible after the registration deadlines.

Pella Parking Map

24-hour streetside parking in areas noted on map. Other streetside parking 3-hour limit.

GUIDE TRAINING & CERTIFICATION PROGRAM 2021

Why Certify?

- Public recognition of your work
- Statewide promotion for your organization
- Gain confidence about your skills
- Exchange ideas with another guide who does what you do
- Generate new tools for your program
- Renew passion for your subject
- Find solutions to your program challenges
- Prove that volunteers can be professional guides
- Professional credentials for job opportunities

Certification is an **optional opportunity** for individuals who have completed the training workshop.

One-hour certification and coaching session will be held at your place of work (or Iowa location of your choosing). **Bring your calendar to the workshop for scheduling.** During the certification session, you will conduct a 20-45 minute program for visitors while the coach observes (or just for the coach, if no visitors at that time). A private coaching session will follow, with both program and coaching elements totaling up to one hour.

You will achieve Professional Guide certification from Iowa State University following completion of both the one-day training workshop and the one-hour certification coaching session. Credentials include a certificate, news release from Iowa State University, and your name (and organization, if desired) listed on Iowa State University's Professional Guide Certification web site.

Certification is an additional fee (\$100); those who sign up at the workshop are eligible for a **reduced rate of \$50** (Restrictions apply: Please contact the CITR office at 800.285.5842 for details, or with questions about Guide Training Certification).
